

## Coppice Valley Primary School Breakfast and Afterschool Club (BAS).

We create an environment where children are eager to play in a calm yet vibrant, safe and energetic environment.

### **BREAKFAST CLUB**

**7.30-9.00am** £8.50   **8.00-9.00am** £6.50   **8.30-9.00am** £3.20 (no breakfast)

Our breakfast club operates before school, offering a range of food and activities for your child to start their day on a positive note.

We support the children's choices in the activities they choose before school, which will include games, crafts, reading and socialising with friends, allowing each child to arrive at school settled and ready to begin their academic day.

### **AFTER SCHOOL CLUB**

**3.30-5.00pm** £9.00\*   **3.30-6.00pm** £12.00\*

Children will be welcomed back after their school day; a member of staff will collect them from their class teachers inside school.

Our dedicated staff will tailor activities to meet the needs of all children attending and help provide a relaxed atmosphere.

A light nutritious tea is provided

\* From 1 September 2022 if a child attends one of our school run clubs and is then taken to BAS, the cost of that evenings club will be deducted from these session charges
