

# The Coppice Curriculum

The curriculum at Coppice Valley Primary is designed to provide our pupils with the knowledge and skills they need to lead successful lives. We want them to become learners for life.

## There are three key parts to the Coppice Curriculum

### The Coppice Core

National curriculum subjects and objectives, with a focus on clear progression steps and knowledge retention.

### The Coppice 50

Spiritual, moral, social and cultural learning experiences that dovetail with our Coppice Core.

### PSHE

Personal development, relationships and health education, safeguarding, SMSC, British values and internet safety.

“ The beautiful thing about learning is nobody can take it away from you. ”

BB King

Our vision for the Coppice Curriculum has pupils at its heart. Through what they learn, we want to help them become:

Brave and resilient in the face of challenge

Imaginative, creative and deep thinkers

Kind and responsible people

Curious and knowledgeable

Understanding, open-minded and appreciative about the world we live in
