# Mental Health & Well Being Provision

# **COPPICE VALLEY PRIMARY SCHOOL**

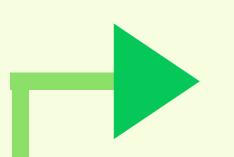

High Level Need

Pupil needs support from external agencies. School works in partnership.

## **Medium Level Need**

School's own family support worker provides bespoke support using recognised interventions or advice from external agencies.

## Low Level Need

Pupil's showing low level well being needs. Class teachers and teaching assistants "keeping an eye" on pupils. Informal pastoral care.

Whole School Provision Good mental health learning for all. Character building curriculum to increase resilience and self-esteem.
