**ECO
Council**

We are very proud to be an Eco School. We have achieved the highest accolade for our commitment and eco work in school, which is the green flag status. Our Eco Council is made up of our pupils and staff, who work together to make our school eco friendly and more sustainable.

Some of the things we do @ Coppice:

- **Recycling**
- **Swap shop**
- **Rewilding**
- **Switch off** lights
- **Walk to school** days
- **Community garden**
- **Nature area**
- **Wormery**
- **Looking after wildlife**
- **Clothes bank**
- **Mental health path**
- **Healthy eating workshops**

What **you** can do at home...

- Use our **clothes bank** for all **your** unwanted **old clothes, shoes, duvet covers** etc.
- **Switch off** electrical **appliances** that **are not** in use.
- **Reduce your water usage.**
- **Switch to eco-friendly cleaning products.** *
- **Compost organic waste.**
- **Walk to school.**
- **Freeze leftovers** before they go bad.
- **Bring your empty batteries** into school.

* Make your own cleaning product!
Fill a jar with vinegar about two-thirds of the way full.
Add citrus peel and let them infuse for

3 to 4 weeks.
Strain out the citrus peels and fill a spray bottle with 1 part water, 1 part citrus-infused vinegar.
Avoid marble and limestone surfaces though!

DID YOU KNOW...

Our local community is welcome to use the growing beds and take food from it, after school hours, at weekends and in the holidays.

We have lovely volunteers who tend to our gardens, front and back.

You can bring your empty batteries into school and we will recycle them for you!

By swapping out your old light bulbs for LED alternatives, you not only reduce your electricity consumption but also contribute to a greener and more sustainable future.

You can make smoothies from old fruit.
